Hi again. We are so excited for the opportunity to represent you; we cut straight to the chase. Perhaps we should have introduced ourselves first. We are Josh and Brendon, the leadership team at Local Union 514, and we want to officially introduce ourselves as your partners in the Access Center Union Campaign. You can read about us and see who we actually are on the Local Union 514 about page.

We are a business-savvy, modern organization that leverages data and technology to protect our members. As one of the very few non-union groups in the Mount Sinai Hospital system, you deserve representation that actively fights for your future

We have completely modernized the union experience.

Here is what sets our modern approach apart and how it benefits you.

We respond to all member inquiries within 24 hours. If you leave a message, your rep will respond within 24 hours. Our leadership is highly accessible. We can chat on our website, meet in person, virtually, or connect on your preferred messaging platform.

You can quickly and discreetly sign a Union Card on our website. You and your colleagues can efficiently sign using our online authorization signature tools without risking your reputation.

Our operations are built on intelligent negotiation, modern strategy, membership inclusion, and accessible leadership.

We are here to bring you the modern, professional representation you have earned. Please

visit your dedicated Access Center Union campaign website and our About page to learn more about us, our strategy, and discreetly sign your authorization card today.

In solidarity,

Brendon & Josh

You can reply to this email or call the union office anytime to reach me to discuss this opportunity.

We look forward to representing you.

Brendon Dever

Secretary Treasurer
